

KISAR November 15, 2018 Board of Directors' Meeting Minutes

Call to order at 6:13 PM at Bayside Firehall

Minutes prepared by Philip T

Directors: Steve W, Philip T, Ryan C, Dicky S, John S, Dan D

No treasurer's report.

Dicky announced he had spoken with JR Gardner at the Southern Regional EMS Council for grant application and training reimbursement. As a group we went through the application and there was discussion about what training opportunities we would request funding for. There was a general sense that having Deb's Wilderness First Aid refresher funded would be a good first step.

The next meeting was not scheduled.

7:05 PM meeting adjourned.
