

## KISAR General Meeting Minutes

April 19, 2018, Bayside Firehall, call to order 6:58 PM, meeting minutes by Philip T

BoDs in attendance: Steve W, Dicky S, Philip T, Dan D

No Treasurer's report. No other officer's reports.

New member Tamsen Peeples introduced herself.

Steve W brought up Bases Loaded baseball cap availability. Squabbling ensued.

Nick D'Alessio arrives in Kodiak Thursday PM. Dicky discussed options for alternate training scenarios if the weather does not cooperate with a hut trip. Possible skills trainings were discussed like traversing steep terrain with a fixed line, multi-pitch litter lowers like from the hut down the north gully, etc. The plan is to meet Thursday evening at 7 PM for a briefing with Nick D on what the training will entail.

Doug D solicited input on the KISAR.org website. Dicky suggested making the site 'timeless' and eliminating references to dated material. The general consensus among the membership was to maintain the blog format but to forward images and news to Doug so that the content is more up to date. Doug brought up making the google calendar feature more useful.

Meeting adjourned at 7:33 PM
